Thank you everyone for a very busy but successful term, one more to go! Please remember that Monday 3rd October 2016 is a public holiday, so school starts on Tuesday 4th October 2016. There is also a pupil day in week 3 on the Monday 17th October 2016.

Our new school signs have arrived and look fantastic. We are wondering if anyone is able to attach them to the existing signs and framework. We were going to save everyone some time and effort, however the quotes forms engineering firms in town are simply too expensive. It would be absolutely wonderful if they could be done over the holidays, ready for our movie star performance in week 1, but not essential.

Thank you to Gloria Green for all her work at school these last two weeks, it has been greatly appreciated. Also thank you to Mrs AJ for filling in as principal.

The Year 6 Graduation Dinner is fast approaching and we want to confirm the date, please can you check your calendar and if the dates of the 21st, 22nd, or 23rd of November 2016 do not suit please get in contact with the school as soon as possible.

We hope everyone has a fantastic, relaxing and safe holiday and comes back refreshed for an action packed Term 4.

Yours in Education,
Mrs AJ

Below is a boredom buster slime recipe.

1 Tablespoon Metamucil or other psyllium containing ingredient
1 Cup of water
Food colouring

In a microwave safe bowl, microwave for about 2 minutes until bubbles start to appear.
Microwave for 1 minute more
Take out and stir
Microwave for 2 more minutes
Leave to cool completely. Overnight is good.
Play outside – very messy, but loads of fun!

WILD LIFE WARRIORS – RECYCLE PRINTER CARTRIDGES
Jambin State School has teamed up with Imagining Technology and Wild Life Warriors to recycle empty toner cartridges. Please bring in all your old or unused cartridges to the administration office for recycling. By recycling your used toner cartridges with Imaging Technology Australia you can not only help to save our precious environment but also our threatened and endangered wildlife, through a donation of valuable funds to Wildlife Warriors from every printer cartridge recycled.

Are you community minded and willing to help support local people with special needs and their families? If so, the Callide Dawson Special Needs Support Group Inc could use your input. We are a dedicated group which advocates for and provides services, equipment and materials to enhance the learning and development of people with a identified needs in our region. Some recent examples of our success stories include funding a series of Sing and Grow Workshops for 0 – 5 year olds, State Ensemble Honours Gifted and Talented Instrumental Program and the installation of a new shadesail at the Banana Shire Community Resource Centre (CRC).

We are currently seeking new members who may have a fresh outlook and some bright ideas. If you would like to become involved, or even just learn a little more about what we do, we meet every six-eight weeks at the CRC, 102 Rainbow Street, Biloela. Our next meeting is 15th September 1.00pm. For further info please contact Donna or Pam at the CRC 4992 7360 or email cdsnsg@outlook.com

The Queensland Parliament recently made important changes to the *Education (General Provisions) Act 2006*. From next year, it will be compulsory for all Queensland children to undertake the Preparatory (Prep) Year, prior to entering Year 1. The legislation identifies specific exceptions that can be determined by principals on a case-by-case basis. To minimise disruption to schools and families, the new requirement will not apply to children already enrolled in Year 1 for 2017. We have seen such positive learning outcomes since the introduction of Prep and I am pleased all children will now enjoy this important start to their learning. Read more on the [Education website](#).
