

# Jambin State School

## School review conducted 27 to 28 May 2021

Every Queensland state school is reviewed by the Department of Education at least once every four years. School reviews provide important feedback to support schools in continuing to deliver quality education and improve learning outcomes for students.

### Review highlights

- ✓ School staff have a strong focus and commitment to school improvement.
- ✓ Staff members display collegiality, mutual trust and support.
- ✓ Learning walls created by students and teachers develop assessment-literate learners.
- ✓ Caring and respectful relationships create a positive school culture.

### Consultation

**Total of 50 interviews**

**8 community members and stakeholders**

**9 school staff**

**22 students**

**11 parents and carers**

**Each school review generates a number of key improvement strategies to inform continuous improvement in all state schools. The next steps are...**

- ➔ Review planning documentation and expectations to include vertical and horizontal alignment of the achievement standards and content descriptors for year level curriculum entitlement.
- ➔ Develop processes for the alignment of curriculum assessments and marking guides to year level achievement standards for rigour in assigning levels of achievement.
- ➔ Provide opportunities for regular, formal discussions for the analysis of data to reflect on teaching strategies and inform differentiated practice.
- ➔ Develop regular, formal opportunities for all staff to receive feedback on teaching practices, including coaching, modelling, observation and feedback.
- ➔ Collaboratively develop school-wide expectations for the implementation, documentation and review of differentiated practices.
